

Leaders' Day with Gavin Calver

Gavin Calver is the Director of Mission at the Evangelical Alliance and has a burning passion to see the Gospel reach every person in the UK. He will take us through some of the research represented in the 'Talking Jesus' report produced by the Church of England, Evangelical Alliance, and HOPE, and the implications for our current landscape for mission. WEBA Leaders' Days are aimed at ministers; others in church leadership are welcome to join us.
