

PRAYER GUIDE FOR EACH DAY

August 29th - September 4th

Sunday: Pray that the worship of this day may bring glory to God, remembering all who minister the Word, lead worship, play the music and those who welcome people as they come to worship. Pray for the pastors, deacons and/or elders/leaders.

Monday: As the churches' weekday activities begin pray for all who lead, serve, and befriend those who come through our doors. Pray for any new initiatives being taken on by our churches at this time.

Tuesday: Pray for the involvement of our churches in Mission, whether it is at the local, regional, national or international level. Pray for Home Mission and BMS World Mission representatives in our churches as they encourage interest, prayer and giving.

Wednesday: The prayer life of every church is important, as it is of every Christian individual. Pray for churches as they meet for prayer, maybe at varying times of the day. Give thanks for the prayer ministry of the housebound, as they perform this vital service in the life of our churches.

Thursday:

Pray for children and young people who attend various meetings in our churches; for youth leaders in whatever capacity they work; and for input from our churches into schools and colleges in our neighbourhoods.

Friday: Remember those who are called to the Lord's work away from their homes, be it in service in this country or overseas. Pray that their spiritual needs may be met in often difficult or hostile situations. Especially remember Chaplains and Christian personnel in our armed forces.

Saturday: Pray for Church Officers and those involved in preparing the church premises for worship. Many are busy with these tasks on a Saturday. Think of those who clean the premises, arrange flowers, prepare notice sheets and organize coffee rotas, etc.

Keynsham

Mick Standbridge

We continue to thank God for strong ecumenical links in the town. We ask you to pray that this 'strong working together' will continue even after the change of three clergy in the town's churches. We are encouraged at the number of toddlers that bring their parents/carers along to our Tea & Tots drop-in on Friday's... As we break for summer, pray that the Tea & Tots Team and attendees, might appreciate the break... and pray for a good start back in September. We have been delighted to see some new faces in church on Sundays and Tuesdays: Please pray that they will find a spiritual home with us. Many thanks.

Kevin Donaghy

Give thanks for new members and new contacts.

Rainbow Tots our Parent and Toddler group - now expanding from just Wednesday to Wednesday and Friday mornings - will have about 90 toddlers plus carers starting in September.

Give thanks for our uniform Parade services with over 80 attending.

Please pray as we hold various services and meetings that we can encourage these contacts to attend. For example our recent Sunday Craft Service had over 100 attending.

Also pray for our Alpha course starting in September.
