

Christian Ministries come in all shapes and sizes, very much like people, but one sadly neglected area is Prison ministry.

Do you have a calling to visit those in our prisons?

"I was in prison and you came to visit me...." (Matt. 25 v 38)

Perhaps we at Prison Fellowship can help you explore the possibility of Prison Ministry.

As with all of PF Volunteer ministries, we offer full training and support to enable you to fulfil your calling.

Prison Fellowship (PF) is a volunteer ministry, which aims to mobilise and enable volunteers from the Christian community, through prayer, practical action and values-based programmes, to restore all those affected by crime.

PF has been operating in the UK for 30 years, and currently has over one thousand five hundred volunteers involved in prisons in England and Wales, but we desperately need more volunteers to help with the ever-increasing demand.

Local PF Groups regularly meet together to pray for the needs within a specific local prison. Many of our volunteers join the local prayer group as a first step into other Prison Fellowship involvement.

Many of our groups are involved in numerous activities within prisons including taking part in Chapel services, leading Bible studies and Alpha courses, prison visiting etc.

SYCAMORE TREE- is a PF Victim Awareness/Restorative Justice Programme, which aims to challenge attitudes towards offending behaviour, raise awareness of the impact of crime on victims and communities, and teach the principles and application of restorative justice. It also provides offenders with an opportunity to make an informed choice to change their lives.

Angel Tree

ANGEL TREE – is a PF programme designed to provide Christmas presents for the children of prisoners, of which there are an estimated 160,000. Prisoners' with children are given the opportunity to apply for a gift to be sent to them. As long as they are allowed access to their children, our volunteer's then co-ordinate the fundraising, purchasing of gifts, wrapping and delivery.
